

Shary  
Saghalie

1941

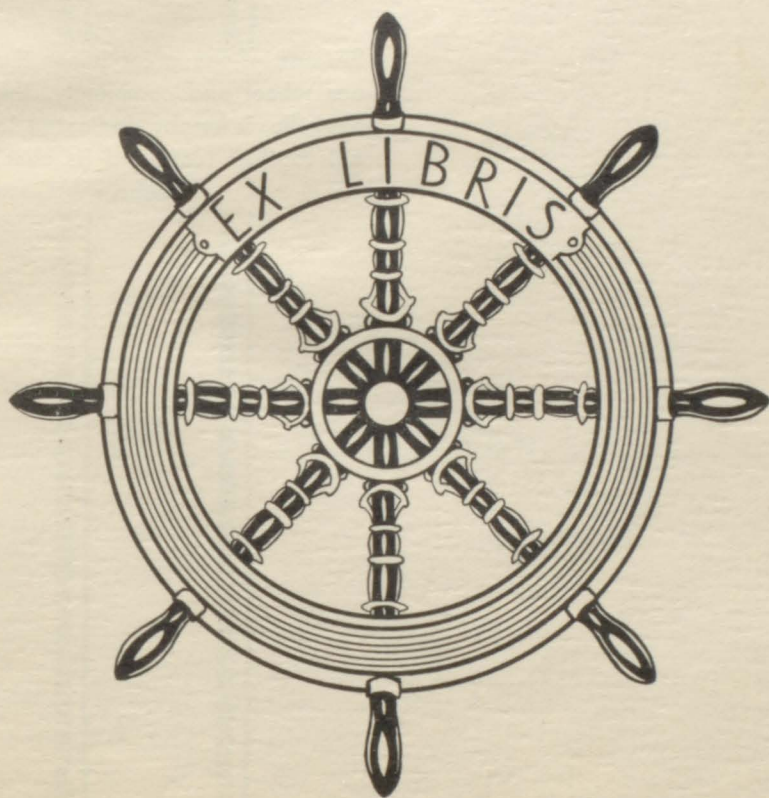

Because of the great honor they have brought to our school and community, this, the 1941 Hayu-Saghalie, is hereby dedicated to the Monroe Bearcat football team and its coach, co-champions of Snohomish County.

## Class History

Four years ago when we entered high school, our enrollment numbered one hundred—the largest class in the history of Monroe Union High School. Neal McCulley was the presiding officer. When he moved away, our vice-president, Bill Burt, took over.

After taking part in the activities of the school, we passed on to our Sophomore year. Social activities for that year included an initiation party for the freshmen and a class party.

Two outstanding events of our Junior year were the Junior Banquet and the class play, "June Mad." This was the first full-length play to be put on in the new Wagner Memorial Auditorium. Being upper-classmen, we fared quite well and passed into our final year.

We have the distinction of being the only class to win the citizenship cup for three consecutive years and are working hard to get it again this year.

Members of the class who have brought distinction to us are: Don Steffen, state president of F. F. A., who spoke over a nationwide hook-up from the annual convention at Kansas City; Peggy Heifort, our D. A. R. representative; Pat Currie, winner of the award in the Navy Day Essay contest; and Bernice Austin, our most outstanding athlete.

## Senior Class Officers

President, Bob Cook; Vice President, Dorothy Shrum; Secretary, Hiro Haji; Treasurer, Karl Streissguth.

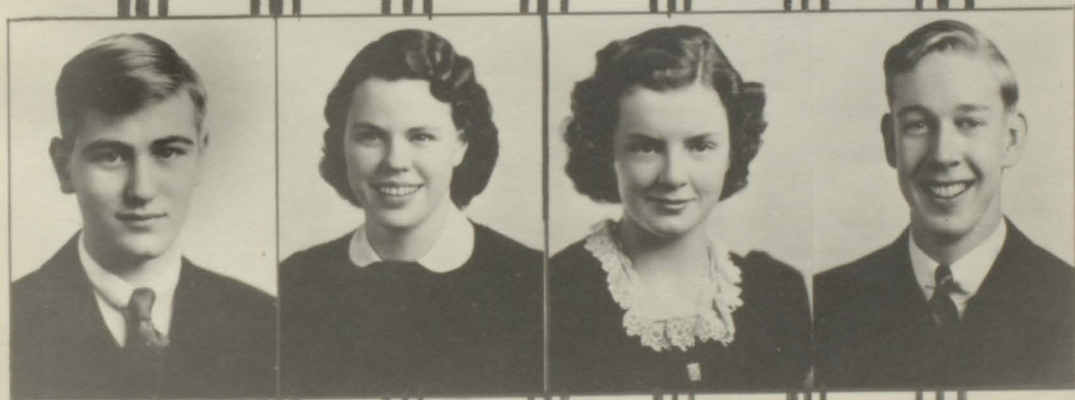

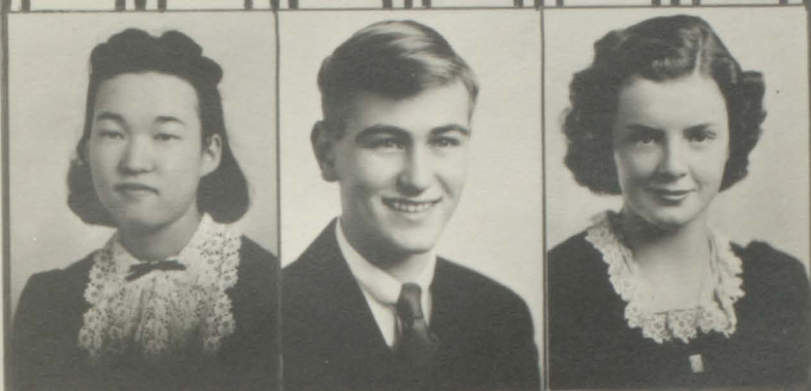

## Scholarship

Valedictorians (tie) Hiro Haji, Dan Streissguth; Salutatorian, Patricia Currie.

## Activities

RUDY NICHOLS.....	President of the Student Body
MARTHA SIELAFF.....	Yell Queen
DON STEFFEN.....	State President of F. F. A.
DAN STREISSGUTH.....	Editor of Annual
PEGGY HEIFORT.....	D. A. R. Representative
PATRICIA CURRIE.....	Navy Day Award Winner
GUY RILEY.....	Business Manager of Annual

# SENIOR PROPHECY

TIME: 1951.

SCENE: Almost any football game.

A tardy feminine fan, arriving near the end of the first quarter, accidentally drops her purse onto the head of the gentleman who has the seat directly in front of her. As he turns around to return the purse, the following conversation is heard:

She: Pardon me! I'm terribly sorry.

He (glowering): That's quite all right, mada—WELL!! Miss Blossey! I haven't seen you in years.

Miss B.: Why Coach Bates! It certainly has been a long time! Ten years! In Monroe!

Coach B.: Ten years! That would be 1941! Say, 1941 was the year Donald Steffen graduated. Certainly you've read about him. Secretary of Agriculture!

Miss B.: Oh, of course. That appointment was certainly wonderful. It seems that an unusually large part of that class of 1941 is doing extremely well. Peggy Heifort has been professional accompanist to several artists on tour. Bettie Jeanne Jameson teaches third grade gym in Spook Junction, Idaho.

C. B.: And Fritz Geyer works for Armour & Co. in Chicago; Louis Smathers is a politician in North Carolina; Kenneth Lindley is in the Navy. Loreina Hieb, Moreine Hensley, and Bettie Hopkins all teach. Arlene Masterjohn is teaching athletics in a Nevada mining town. Leora Schwartz teaches music at Startup; Jack Armstrong is ag. instructor there. Alice Jelinek is a private secretary in the East.

M. B.: Wanda Odell, Dorothy Greenside, Ella Mae Hegewald, and Bernice Austin are all married. Pat Borden lives in Seattle, Arline Felix is happily married and living near North Bend. Juanita Hedrick is a plain "Army Wife."

## SENIOR PROPHECY

C. B.: Jack Blanken's a professional race car driver at Indianapolis; Guy Riley has the Chevrolet agency in Ketchikan, Alaska; Bob Cook is an office boy in the office of a Kansas City paper. And Martha Sielaff sings on the radio Thursday nights, sponsored by the powerful shingle trust, Steinblotz & Simons. Incidentally, the Simons is none other than Leonard. Jean Haight is one of those versatile air-hostesses, working for Pan-American on their Miami to Rio de Janeiro run. Mavis Wall is starring in some New Mexico rodeo. Elizabeth Pownall, Helen Ray, and Joyce Pearson are all nurses; Elizabeth, in a Connecticut naval hospital; Helen is doing the same work in Rebeccaville, Florida; and Joyce is district nurse in the suburbs of Everett. Let's see, who were some of the others?

M. B.: Oh, there was Rudy Nichols, Fred Bevensee, Sue Zevenbergen, Bob Lane—

C. B.: Oh, yes. Rudy Nichols runs a professional escort bureau in Southern California. Fred Bevensee plays fifth trumpet in the Astoria, Oregon, Symphony. Who else did you say? Oh, yes, Sue Zevenbergren. She and Myrtle Rocco formed a dance team and are appearing in Hollywood.

M. B.: Katie Felder's in Hollywood, too. She's stand-in for some glamour girl in one of the studios.

C. B.: Bob Lane is chauffeuring for the former Shirley Temple. You remember, she used to be one of the child stars. Karl Streissguth's in California, too. Mathematics teacher and also class adviser to the class of 1935-1965 at Alcatraz. Dan Streissguth operates an elevator in a Seattle office building. La Donna Cedergreen is working in the San Francisco Opera ballet troupe. Wesley Bates is a lineman for the Puget Sound Power and Light Company. Oh, yes. Bill Burt works for Rudy's escort bureau in California. Bill Boyes coaches basketball in some hamlet east of the mountains. Bill Dean is a professional debator and eminent lecturer, having gained quite a reputation for himself by his brilliant talks on the subject "Care and Feeding of Goats." Kathleen George has bought out station KNO in Tacoma. Howard Gering is doorman at a swank Duvall hotel. Then Pat Currie is the first woman test-pilot in the United States. It must take lots of nerve! Along the agricultural line, George Fahrenkopf, Ted Werder, Harry Oman and Louis Figgins all farm near Monroe.

## SENIOR PROPHECY

M. B.: Some of Dorothy Steen's work was featured in this month's Vogue. She's running a ritzy New York dress shop. Frances Moore manages a large restaurant chain in New England; Margaret Storey operates a Charm School. You know, "learn charm in ten easy lessons."

C. B.: Say, Hiro Haji was elected to the Senate from some southern state, you know. She's made several sensational filibusters lately. In the news all the time!

M. B.: When in Monroe last July, I saw Louise Donovan. She has started a second weekly paper there. Adaline Zerger is town librarian. Aubrey Wilson and Earl Johnson are both members of the volunteer fire department. Audrey Crawford still ushers at the theater. Helen Davenport is doing bookkeeping for the railroad, and Ewald Stucky is station-master there. Arne Olson drives a school bus. Dave Hillier has opened a super-drive-in-market, very colossal. Say, what ever became of Joe Sherwood?

C. B.: Oh, he, Earl Palmer, and Bob Miller joined the army two years ago. Kenneth Skillen has made quite a name for himself by his recent military inventions, and Nick Roorda has also worked up from the ranks. He's "top sarge" at Camp Murray. Remarkable, isn't it?

M. B.: Oh, there goes the final gun. I wonder if it was an interesting game. I'm afraid neither of us saw a single play.

C. B.: Oh, It's been grand. Perhaps we can get together again some time in the future and reminisce.

M. B.: Well, right now the only thing I can think of is the terrible traffic jam. I never could manage a car in traf—(Their voices fade away in the babble of the crowd as they join the throng in the nearest aisle.)

## Junior High School Activities

Though the Senior High is number one when it comes to having the largest number of activities, clubs, and organizations, we can safely say that the Junior High is second in place.

The Junior High, for the first time, presented a three-act comedy at the Wagner Memorial Auditorium. The title of the play was "America First" and the cast's splendid characterizations and fine acting enabled the audience to enjoy a grand performance.

A form of "police protection" has been provided for the school students in the form of an organization called the "School Patrol." There are fifteen members who act as patrols. The purpose of the school patrol is to assist the town in the prevention of accidents and to promote ideas such as the ones for "deathless days."

We have two clubs that are developing steadily. One is our Photo Club which teaches the students the technique of getting good camera shots and teaches them the trick of photography. Our other club is the Harmonica Club which has twenty-five or thirty members. They learn how to play a great variety of songs and when they have mastered quite a number, they have an assembly at which they present them.

Our school paper is called the Periscope and is put out on an average of once a month. The staff is as follows: Editor—Vivian Owen; Assistant Editor—Philip Tucker; Art Editor—Freida Schwartz; and a large staff of reporters.

A drill team which consists of twenty-eight girls is being lead by two of our own girls and will probably combine with the high school drill team to make a more advanced and larger group.

The seventh and eighth girls experimented with a sportsday for basketball at Gold Bar. This was their first one, and since it was very successful they plan to have another later in baseball season.

USS ACTIVITIES

## Music

Some of the outstanding musical performances of the year were the Armistice Day program, the Christmas program, and the afternoon concerts for the student body.

A very effective Armistice Day program was given by the drama class. There was also a vocal solo by Gene Speaks, a duet by Martha Sieloff and Bob Cook, and a number by the girls' trio composed of Arline Felix, Pat Currie, and Leora Schwartz. The band played songs of the World War.

The combined choruses of the Senior and Junior High Schools presented a Christmas program for the student body which everyone enjoyed. In addition to the fine work done by the choruses, there were solos by Martha Sieloff and Gene Speakes and a number by the girls' trio. The orchestra played a number of Christmas songs.

The band appeared at many of the football and basketball games as well as at other school activities. The drill team, accompanied by the band, performed at the Sultan River bridge dedication on March 28.

Two of Monroe High's outstanding musicians participated in the soloists' competition festival at Tacoma. Peggy Heifort received a superior rating in piano playing and Margaret Storey received a superior rating in baton twirling. This was the first time that anyone from Monroe has received a first rating.

A Spring Music Festival of all musical talent of the Monroe schools was held at the end of the year. This is the first time this has been attempted and it is planned to make it an annual event.

## Ninth Grade Chorus

Pat Heifort, Betty Gardner, Peggy Skillen, Peggy Dennis, La Donna Jelinek, Frieda Schwartz, Carolyn Byron, Lois Marvold, Dorothy Devereaux, Gladys Magnuson, Jean Broughton, Deanie Redick, Vivian Owen, Betty Betts.

## Dramatics

Morry Summers came to Monroe in 1936. During the time he has been with us he has taught English and Dramatics, and has directed the high school productions of "Cat O' Nine Tails," "Climbing Roses," "Tom Sawyer," "The Patsy," "Little Women," "Seven Keys to Baldpate," "Growing Pains," "Night of January 16th," "It Never Rains," "June Mad," "Through the Night," "Young April," "Smilin' Through," "The Goose Hangs High," and "Death Takes A Holiday." In addition to these plays he has directed many Christmas programs and several vaudevilles.

## F. F. A.

The primary aim of the F. F. A. is the development of agricultural leadership, cooperation, and citizenship. Among other things, members learn through active participation how to conduct and take part in a public meeting; to speak in public; to buy and sell cooperatively; to solve their own problems; to finance themselves; and to assume civic responsibility.

This year there are fifty-three members in the Monroe chapter. Each boy is required to have a project; this year the project investment is over \$4000. At the two-acre experimental plot, tests are made to determine what elements are lacking in the soil of this locality, and new crops are tested as to practicability for this community.

The Monroe chapter participates in livestock, potato seed, and milk-product judging contests. It also sponsors a dairy judging contest at Carnation each year. This year the dairy judging team placed third at Puyallup, and fifth at Portland. The potato judging team placed second at Fife, and second at Mount Vernon. Each year a large delegation is sent to the State Convention at Pullman, where boys attend educational classes. At this year's Convention, Don Steffen was voted State President of the organization, and later attended the National Conference in Kansas City as a delegate from the State of Washington. Monroe's chapter has a very high rating in competition with other chapters of the state, having been voted one of the three best chapters in Washington.

Officers this year are: Bill Dean, president; Carl Geyer, vice-president; Fritz Geyer, secretary; Bob Cook, treasurer; and Jack Armstrong, reporter.

# Boys' Sports

## FOOTBALL

The Monroe Football team of 1940 had a very successful season. Not considered as a tough team by other schools, the Bearcats fought through the conference games with only one loss. That game was won by Marysville by a 6-0 score. By winning three out of the four conference games, Monroe won the Snohomish County Championship. There was a fine turnout of boys and everyone cooperated and worked hard. Leonard Simon and Lee Henrickson were elected Co-Captains by the team.

## BASKETBALL

Monroe had a fine basketball team, although they didn't take first place. This was one season that all the schools had far above average teams. In the conference games Monroe tied Edmonds for third place. At the county tournament, the Bearcats played three games, winning one and losing two, before being eliminated. During the home games the team had fine support from the student body, drill team, and the drum majorettes.

## TRACK

With four dual meets and one triangular meet already won, the track team is expected to do well in the County meet. Having more track meets this year than in previous years gives more boys a chance to make letters. To make a letter nine points are required. Only three lettermen—Burt, Cook, and Williams—returned, but there are seventeen potential lettermen this season.

## BASEBALL

Of the twenty-five turning out for baseball, most are underclassmen. Haji, Watson, and Streissguth are the only returning lettermen. In preliminary games Monroe defeated Sultan and Lake Stevens and dropped another to Lake Stevens. The team is up against a strong league this year.

## Football Squad

**Top:** Calhoun, Gregerson, H. Crawford, W. Simon, Tucker, Pearson, Austin, Hamilton, Moore, H. Henrickson, B. Crawford, Davis. **Middle:** Neisinger, L. Simon, Hopkins, Skillen, L. Henrickson, J. Nichols, Main, Halverson, Watson, George, Haji. **Bottom:** Coach Bates, D. Burt, Nelson, A. Henrickson, Smathers, R. Nichols, B. Burt, Williams, Mr. Smith. Managers: Boyes, Olson. Assistant Manager: Woods.

## Basketball Team

## Girls' Sports

From the very first day of the year to the last day, the girls engage in sports with all the enthusiasm and energy they can muster.

The first sport on our list was speedball. Quite a few students turned out, so competition made it rather difficult to win a place on a team. Sportsday was held at Marysville, and while there we worked hard enough to obtain an average rating by losing one, tying one, and winning one game.

Our volleyball sportsday was held at Snohomish. There we earned prestige for being the school in the county to win the most games.

Then along came basketball. This sport seemed to have drawn the interest of every athlete in school because over fifty people turned out. The Senior team, which was the all-school first team, worked out a zone defense that presented a problem to all of their opponents. Likewise, the accurate shooting of the forwards made the team a smooth, difficult-to-beat combination. Sportsday was held at Arlington. Again we were the school in the county to win the most games and our rating this time was a little better than average, winning four and losing one. Three girls were selected from each school in the county to form an All-Star Team. The three girls selected from our school were: Pat Currie, Bernice Austin, and Sue Zevenbergen.

Our spring sports are quite numerous and include baseball, track, tennis, archery, and badminton. We also have tumbling but that sport goes on during the entire winter.

Our coach says that the Freshman class, since they are now turning out with the Senior High, will be a very good class because of the stiff competition they have to face.

The favorite saying of the athletes is: Give me a speedball, basketball, volleyball, or baseball and you'll hear no bawls from us.
